The aforesaid terms and conditions have been set out in the Company's letter dated 1st April, 2017, addressed to Mr. A. Khaitan. Pursuant to the provisions of Sections 196 and 197 and any other applicable provisions of the Companies Act, 2013 read with Schedule V to the Companies Act, 2013, the re-appointment of Mr. A. Khaitan as the Managing Director and the terms as to remuneration require the approval of the Members in General Meeting. The above terms as to remuneration have been approved by the Nomination and Remuneration Committee of the Board at its Meeting held on 30th March, 2017.

The remuneration package proposed for Mr. A. Khaitan is the same as his earlier term effective from 1st April, 2014. In the aforesaid remuneration package, unlike in the earlier term, certain items like bonus and allowances have been made variable and the same may be sanctioned by the Board based on the performance of the Company from time to time.

Mr. A. Khaitan had taken charge as the Managing Director of the Company in 2005 and since then under his leadership and guidance the Company has achieved considerable growth, both in terms of volume of business as well as profitability. Mr. Khaitan very successfully managed the affairs of the Company not only in good times but also when the Company faced operational, climatic and economic adversities and various other challenges. The particulars of Mr. A. Khaitan namely, age, qualification, past experience and other details along with the statement pursuant to item iv of Second Proviso to clause (B) of Section II, Part II of Schedule V to the Companies Act, 2013 are given separately in this Notice.

Keeping in view his vast experience in the tea industry and his high level of performance during his earlier terms of appointment, the Board is of the opinion that the re-appointment of Mr. A. Khaitan as the Managing Director will be very beneficial to the Company.

The item No. 6 of the convening Notice is proposed as an Ordinary Resolution and the Members' consent is sought for the re-appointment of Mr. Khaitan as the Managing Director of the Company and payment of remuneration as per the letter of re-appointment issued to him, subject to the limits under Schedule V to the Companies Act, 2013.

Considering the favourable weather conditions and the current scenario of the tea industry, the Company is expected to perform better in the near future and the Board is of the view that the Company would soon be in a position to pay remuneration to Mr. Aditya Khaitan in excess of the limits prescribed under Schedule V

to the Companies Act, 2013, which Mr. Khaitan highly deserves and which will be commensurate with his in depth experience in tea industry and his performance in the past. Hence, item No. 7 of the convening Notice is proposed as a Special Resolution to enable the Company to pay remuneration to Mr. Aditya Khaitan in excess of the limits prescribed under Schedule V to the Companies Act, 2013, subject to the approval of the Central Govt., if required. The resolution set out in Item Nos. 6 and 7 of the convening Notice are to be considered accordingly and the Board recommends the same.

A copy of the Company's letter dated 1st April, 2017 issued to Mr. A. Khaitan, re-appointing him as the Managing Director is available for inspection by the Members at the Registered Office of the Company on any working day prior to the date of the Meeting between 3.00p.m and 5.00 p.m and also will be available at the Meeting.

Mr. A. Khaitan, himself, and Mr. B. M. Khaitan being his relative are interested in the resolutions under Item Nos. 6 & 7 of the convening Notice. No other Director, Key Managerial Personnel or their relatives is in any way concerned or interested, financially or otherwise in respect of the said resolutions.

Item No. 8

Mr. A. Khaitan was re-appointed as the Managing Director of the Company for 3 years with effect from 1st April, 2014 by the Board of Directors based on his satisfactory performance in the earlier terms when the Company made considerable progress in terms of production, sales and profitability. The appointment and the remuneration of the Managing Director was approved by the Members by Ordinary Resolution at the Sixteenth Annual General Meeting of the Company held on 23rd July, 2014. The performance of the Company during the year ended 31st March, 2017 was not up to the expectation. The profit during the year 2016-17 was under pressure on account of fall in tea prices, reduction in export volume, substantial increase in salaries and wages, increase in cost of ration provided by the Company and increase in various other input costs. Owing to the above factors, the profits earned by the Company during the said year became inadequate for the purpose of Managerial Remuneration in terms of Section 197 read with Schedule V to the Companies Act, 2013.

The Board of Directors considered that the tea industry in general and the Company in particular had to undergo series of challenges during the financial year 2016-17. The Company had to face external pressures in terms of fall in prices on account of excess production in certain tea

producing countries and reduction in export volumes on account of slowdown in the economies of some of the importing countries and geopolitical reasons. Simultaneously, the Company faced internal pressures in terms of rise in wages, salaries, cost of ration and other input costs. The Board took in consideration that amidst such challenging circumstances, Mr. Aditya Khaitan's acumen and additional efforts helped the Company sustain the business and also discharge its social responsibilities.

As the Company was not doing well during the year 2016-17, in terms of a mutual understanding, Mr. A. Khaitan did not draw and the Company did not pay any bonus to him to the tune of Rs. 90 lakhs to which he was entitled for the year 2016-17.

Hence, the Board considered that the waiver of recovery of excess remuneration paid to Mr. A. Khaitan during the financial year 2016-17 would be justified. The Board accordingly decided to approach the Members of the Company to seek their approval by way of Special Resolution to the remuneration payable to the Managing Director and waiver of recovery of the excess remuneration amounting to Rs. 2,66,39,944/- paid to him during the financial year ended 31st March, 2017

The details of remuneration of the Managing Director applicable for the year 2016-17 are given as follows:-

Salary	: Rs.15,00,000/- per month with such revision as the Board may approve from time to time in the salary grade of Rs.12,50,000/- to Rs.20,00,000/-.
Bonus	: Equivalent to six months' salary in a year (which Mr. Khaitan did not draw).
Allowances	: A special allowance of Rs. 1,00,000/- per month with such revision as the Board may approve from time to time in the scale of Rs. 1,00,000 – 2,00,000/- per month. In addition, the Managing Director will be paid other allowance of Rs. 4,00,000/- per month with such revision as may be approved by the Board from time to time.
Perquisites:	<p>Housing: Free furnished accommodation will be provided by the Company. In case no accommodation is provided, the Managing Director will be paid House Rent Allowance at the rate of 60% of salary. Cost of personal long distance calls, however, will be borne by the Director.</p> <p>Car: Company car with driver under the Company's Scheme applicable for senior executive staff of the Company</p> <p>Medical: Reimbursement for self and family at actuals, including cost of medical insurance.</p> <p>Leave Travel Concession: For self and family as per applicable Rules of the Company.</p> <p>Leave Encashment: As per applicable Rules of the Company.</p> <p>Club Fees: Reimbursement of Club Fees as per applicable Rules of the Company.</p> <p>Others: Personal Accident Insurance and other perquisites, which are applicable to senior executive staff of the Company, shall also apply to the Managing Director.</p>
Retiral Benefits:	Contributions to the Company's Provident Fund and Superannuation Fund and/or Annuity Fund in accordance with the Rules and Regulations governing the said funds. Gratuity will be payable in accordance with the Rules of the Company and such Gratuity shall not exceed half a month's salary for each completed year of service.
Minimum Remuneration	In the event of loss or inadequacy of profits in any financial year during the tenure of his office, the above remuneration payable to Mr. A. Khaitan, will be treated as his minimum remuneration subject to compliance with the legal provisions as may be applicable.

The detailed particulars pursuant to item iv of Second Proviso to clause (B) of Section II, Part II of Schedule V to the Companies Act, 2013 is given separately in the Notice.

Having regard to the above, the resolution set out at Item No. 8 has been proposed and the Directors recommend the same for your approval. Mr. A. Khaitan and Mr. B. M. Khaitan, being his relative may be considered to be concerned or interested in respect of the said Resolution. Save as above, no Director, Key Managerial Personnel or their relatives is are interested or concerned, financially or otherwise in the above Resolution.

III. OTHER INFORMATION

1. Reasons of Loss or Inadequate Profits :

The Company is engaged in the business of tea plantation and manufacturing activities. During the Financial year 2016-17, the Company made a saleable production of 846.10 Lakh Kgs tea as compared to 856.53 Lakh Kgs in the previous year. The Company could have achieved better production but for inclement weather and pest attacks which adversely affected cropping. Unprecedented heavy rainfall during June and July 2016 resulted in drop in temperatures and excessive wet conditions which are not entirely conducive to good leaf growth. Heavy rainfall continued till September 2016 causing flooding and water-logging on many estates. The profit was under pressure primarily on account of unfavourable selling price which was lower compared to the previous year. The price of tea was down on account of higher production in certain tea producing countries, weak economic conditions in some of the tea consuming nations which had affected Company's exports and also on account of demonetisation of Indian currency notes of higher denominations, during the latter part of the year. During the year, there were substantial increase in employee costs on account of higher wages and ancillary benefits given to the workers in terms of industry wide agreement with the Workers' Union, increase in cost of cereals etc. The costs also increased on account of rise in prices of various other inputs.

The profit of the Company became inadequate in terms of Section 197 read with Schedule V to the Companies Act, 2013, in respect of the year 2016-17 on account of the aforesaid reasons.

2. Steps taken or proposed to be taken for Improvement :

The company has taken initiatives to mechanize some field operations, namely introduction of Plucking Machines, Plucking Shears and Pruning Machines. Considerable work on upgrading of existing irrigation equipment has been undertaken and additional sets provided. Most estates are now adequately equipped and more projects will continue over the next few years as irrigation has now become critical with changing weather patterns and prolonged dry winters. All estates are now strictly following the Tea Boards "Plant Protection Code" with a restricted choice of chemicals for effective pest management. Efforts to control pest infestation were largely successful.

The Company is exploring new markets and engaging different marketing strategies so as to get better sales realisation in future. The Company has also been continuously striving for quality improvement and product development for fetching better prices. With all these efforts, the Company is hopeful to achieve better results in the current as well as in the coming years.

3. Expected Increase in Productivity and Profitability in measurable terms :

The Company being engaged in the plantation sector which largely depends in the vagaries of nature, it is very difficult to measure productivity and profitability beforehand. However, in view of favourable weather conditions and the various steps taken for extension in irrigation activities, growth in productivity and improvement of quality, the Company is expected to perform better in terms of production, price realization and profitability in the years to come.
